

Friends of the Capitol

2009-June 2010 Report

Our Mission Statement:

Friends of the Capitol is a tax-exempt 501(c)(3) corporation that is devoted to maintaining and improving the beauty and grandeur of the Oklahoma State Capitol building and showcasing the magnificent gifts of art housed inside.

This mission is accomplished through a partnership with private citizens wishing to leave their footprint in our state's rich history.

Education and Development

In 2009 and 2010 Friends of the Capitol (FOC) participated in several educational and developmental projects informing fellow Oklahomans of the beauty of the capitol and how they can participate in the continuing renovations of Oklahoma State Capitol building. In March of 2010, FOC representatives made a trip to Elk City and met with several organizations within the community and illustrated all the new renovations funded by Friends of the Capitol supporters. Additionally in 2009 FOC participated in the State Superintendent's cyclo-media conference and in February 2010 FOC participated in the Oklahoma City Public Schools' Professional Development Day. We had the opportunity to meet with teachers from several different communities in Oklahoma, and we were pleased to inform them about all the new restorations and how their school's name can be engraved on a 15"x30"paver, and placed below the Capitol's south steps in the Centennial Memorial Plaza to be admired by many generations of Oklahomans.

Tribute to Range Riders

The Guardian

As Long As the Waters Flow

In 2009, Friends of the Capitol funded the reconditioning of several sculptures located on the Capitol grounds. Kelley Enoch Haney's *The Guardian*, Constance Warren's *Tribute to Range Riders*, and Sandra Van Zandt's *Kate Barnard* were reconditioned in a process that entailed cleaning and applying a wax coating for preservation.

Wax treatment was also applied to Allan Houser's *As Long As the Waters Flow*, a sculpture which had received a thorough restoration through FOC funding in 2008.

The final expense of all the reconditioning was \$2,000, funded by Friends of the Capitol.

Several new initiatives undertaken by Friends of the Capitol is the purchase of **five new benches**, cost \$5,400. Two of the benches are placed at the base of the Capitol's first floor Grand Staircase that leads to the Guardian statue on the second floor. These new benches compliment the new rug and runner that had been funded by FOC in 2008. Donors are invited to visit and take enjoyment in the revitalization of this historic architectural artistry.

OKLAHOMA MURAL IN THE HALL OF GOVERNORS

To the left is a photo of the Hall of Governor's showing the planned location of the "Beyond the Centennial" mural. Also included in this \$150 thousand dollar project are custom rugs, spot lights for the mural and each governor's statue, which will be funded by Friends of the Capitol. Local noted artist Carlos Tello has been commissioned to paint the mural.

After

To the left is the newly remodeled Hall of Governors displaying the "Beyond the Centennial" mural. The custom rugs and special lighting have been refurbished as well. The Hall of Governors has been given an exceedingly pleasing facelift.

Dedication of “Beyond the Centennial” Mural and Annual Event

The May 10, 2010 Friends of the Capitol annual event was particularly special this year. This meeting set the stage for the dedication of Carlos Tello’s mural *Beyond the Centennial*, which is showcased in the Capitol’s Hall of Governors. Lt. Governor Jari Askins accepted the mural on behalf of the State of Oklahoma. *Beyond the Centennial* adeptly captures Oklahoma’s rich heritage and exciting future, with glimpses of our historical land run and space exploration. The mural celebrates the people of Oklahoma, our Native American heritage, the natural beauty and natural resources of our state and even the unpredictable Oklahoma weather. Thanks are due to artist Carlos Tello for such a fitting homage to the state of Oklahoma.

Event guests were entertained by local musician Kyle Dillingham. Following the dedication, a reception was held and guests were given free posters of the mural and they were also autographed by Carlos Tello, the mural’s artist.

Friends of the Capitol was also proud to present the custom rugs and sofas that were purchased for the Oklahoma Capitol and the special lighting that illuminates the busts of past governors on the 2nd floor of the Oklahoma Capitol Building.

Honoring of artist Carlos Tello

artist, Carlos Tello

A native of Mexico, Carlos Tello received his Bachelor of Arts degree in Graphic Communication from the Universidad Autónoma Metropolitana in Mexico City in 1985. He continued his studies and obtained a Certificate in Airbrush Techniques and Lithography. Tello is an autodidactic fresco painter and has honed his skills with the assistance of famous muralist Diego Rivera.

Tello relocated to Oklahoma City in 1992 at the invitation of various organizations. Since his relocation, he has participated in many individual and group exhibitions at IAO Gallery, City Arts Center, the Kirkpatrick Center Gallery, Firehouse Art Center in Norman and the Oklahoma City Museum of Art.

SCULPTURE RENOVATION

Allan Houser's fifteen-foot bronze sculpture, *As Long As the Waters Flow*, was restored by Friends of the Capitol in 2008. The Shidoni Foundry, which originally cast the sculpture in 1989, sent their specialist Vince Maggiore to clean and wax the sculpture. Vince removed the excess wax buildup on the entire surface with a torch, applied finishes to smooth out the surface color and waxed the sculpture to seal it for future preservation. The total funded cost for the equipment rental and conservation fee was approximately \$6,000.

This tribute to Native Americans, dedicated on June 4, 1989, is located at the South entrance on the Centennial Memorial Plaza on the Oklahoma State Capitol grounds.

THE GRAND STAIRCASE

A 2008 initiative undertaken by Friends of the Capitol was a facelift for the Capitol Building's first floor Grand Staircase. The staircase was adorned with a rug at the base of the staircase and a runner in the center leading to the Guardian statue on the second floor.

The runner is held in place with brass rods. Friends of the Capitol funded the entire cost of the facelift, \$21,000. Visitors are invited to view and revel in the revitalization of this historic architectural artistry.

“OKLAHOMA, OH WHAT A BEAUTIFUL MORNING” MURAL

Friends of the Capitol also funded the \$1,300 cost for special lighting that was placed over Mike Larsen's painting, "Oklahoma, Oh What a Beautiful Morning." The painting was loaned to the Capitol from the Chickasaw Nation. The Chickasaw artist was inspired by the view from the front porch of his home where he and his wife, Martha, drink coffee and watch the sunrise. The Cimarron River is the main feature in the artist's painting. Chickasaw Nation Governor Bill Anoatubby said, "The selection of this image by this artist is symbolic of the dawning of a new and even brighter century of progress for all people in the state."

FUNDRAISING ACTIVITIES

Friends of the Capitol is involved in a variety of fundraising activities, each offering a unique and lasting opportunity to our donors. We offer **engraved pavers**, *Art Treasures* book, *Mr. Water* book, Oklahoma Postcard Collection, and the *Oklahoma Black Gold, The Flight of the Spirit* and *Beyond the Centennial* Poster Collection. We welcome new and renewed annual sponsorship in addition to supporting these activities directly. We've taken the opportunity to provide a brief summary of some of our fundraising activities.

ENGRAVED GRANITE PAVERS

Stately granite pavers line the plaza of the Oklahoma Capitol building. These beautiful 15" x 15" pavers are engraved with the name of the donor or the donor's honoree and will remain on the plaza permanently. Pavers may be purchased by making a \$300 tax deductible donation through our website, www.friendsofthecapitol.com or by calling (405) 843-2443.

A touch-locator screen in the main entrance of the Capitol, allows you to locate your honoree's paver as well as read their biography, was provided by Friends of the Capitol at a cost of \$9,700.

ART TREASURES BOOK

For those who would love unending opportunities to savor the beauty of the artwork on display in our state Capitol, we offer the Art Treasures book. Art Treasures, a book written by Bob Burke, Betty Crow, and Sandy Meyers brilliantly depicts the wealth of artistic expression seen in the Oklahoma Capitol building. Proceeds from the sale of this book benefit the Friends of the Capitol. The cost is a \$50 donation and can be purchased through our website, www.friendsofthecapitol.com, or call (405) 843-2443.

MR. WATER BOOK

“Mr. Water”, a book written by Ronn Cupp and Bob Burke tells of Robert S. Kerr, Jr.’s lifelong quest to secure an adequate water supply for every Oklahoman and to protect them from the state’s flood-prone rivers and streams. The book also offers historical insight about Robert S. Kerr, Sr., Dean A. McGee and the oil and gas company they founded. The cost of the book is \$35 and proceeds from the sale of “Mr. Water” a book that honors this dedicated and determined Oklahoman and his influential family, benefit the Friends of the Capitol.

OKLAHOMA POSTCARD COLLECTION

Donors to this program are allowed to select a historical postcard from the Capitol collection and sponsor it. The postcard selected will be enlarged to 40” x 60” and hung in the lower level of the west entryway of the Oklahoma State Capitol building. An engraved plaque, listing the sponsor’s name, will be hung beside the postcard. The postcard collection provides an expressive walk through momentous times in our state’s past.

Poster Collections are replicas of Oklahoma State Capitol murals that can be seen from the fourth floor rotunda area. Posters may be purchased, \$25 each, by calling our office at (405) 843-2443 or going to our website at www.friendsofthecapitol.com.

Oklahoma Black Gold

In 1996, Jeff Dodd was commissioned to create a mural for the Oklahoma State Capitol in celebration of the oil and gas industry. The mural is located above the Oklahoma State Senate Chamber and can be seen from the rotunda area on the fourth floor. *Oklahoma Black Gold* celebrates the 100th anniversary of the oil and gas industry in Oklahoma. The wooden structure on the left side of the twenty-two foot mural represents Oklahoma's first attempts at drilling. The oil rig on the right side represents the boundless future of the state. The two roughnecks in the middle of the epic piece display the physical strength and stamina necessary to work in the oil patch as the Oklahoma state flag blankets the state through "booms" and "busts."

Flight of Spirit

In 1991, artist Mike Larsen reached a milestone in his career when he was commissioned to paint a permanent mural for the Oklahoma State Capitol. Named Flight of Spirit, the painting is a tribute to five world-renowned Native American ballet dancers from the state of Oklahoma. Flight of Spirit merges the tragic history of Native Americans with the hope and renewal of modern accomplishments. Behind the illuminated ballerinas is Larson's depiction of the Trail of Tears. Five geese soar over the displaced Native Americans. The geese symbolize the grace and spirit of the five ballerinas.

Beyond the Centennial

As Oklahomans reflected on our first century of statehood in 2007, members of Friends of the Capitol envisioned Oklahoma's next 100 years. Out of this inspiration they commissioned the mural, "Beyond the Centennial" for the half-circle alcove in the Hall of Governors, based on the Centennial theme, "A unique history." An extraordinary future," artist Carlos Tello has rendered an insightful, yet dynamic mural that reflects upon our distinct history, contemporary culture, and limitless future.

The beauty of our state's Capitol Building is exquisitely captured in the picture above, provided with permission from Oklahoma City's Meyer Architects. The granite pavers shown in the plaza entrance are the same pavers that Friends of the Capitol donors are purchasing to support our ongoing beautification efforts and memorialize themselves or their chosen honorees.
